Sheffield Special Educational Needs & Disability Information Advice & Support

Most people who are 16 years old or more and have finished Year 11 can make their own decisions about their school or support.

If you would like a parent or carer to help then that is OK. It is up to you.

If you are under 16 years old, then we will need to talk to your parents or carers before we make any decisions.

Our service is impartial. This means we will not tell you what to do. We will not take sides.

We will give you the information and support you need to make your own choices.

Our service is confidential. That means our meetings will be private. We will only tell people what we talk about if you say it is ok. We also need to tell someone if we think you are in danger of being hurt.
